

A Postcard to Papa

In the space below, design a postcard to send to Papa in Copenhagen. Using the descriptions in the book, draw the countryside, the farm of Uncle Henrik, the seashore, or a fishing boat.

In the box below, write a message to Papa telling him of the trip to Uncle Henrik's. Remember that the Nazis might intercept the mail, so you will need to write anything about Ellen in code. Cut out the postcard and the message. Glue the message to the back of the postcard. Share the postcard with the class.
