

Ba-Da-Bing Four Square Activity

Where did your feet go?

What did you see, hear, taste, touch or smell?

And, what did you think at that moment?

1) Fold your paper in half, then in half again, to make four equal rectangles.

Write your **first and last name** and **class period** on the **BACK** of this paper.

2) In each square, you will write a Ba-Da-Bing sentence (in the past tense) using one of the five senses (hear, touch, see, taste, smell). **Please do NOT use the same sense twice.**

NOTE: You will only be writing sentences for four of the five senses.

3) Begin each sentence with a **DEPENDENT CLAUSE** (use a subordinating conjunction!).

4) You may improve your word choice when selecting your "sense" verb.

Example: I **glanced** at the girl... (sense=see)

5) **Underline the sense word** you used in the sentence.

Examples: I **smelled** the odiferous roses..., I **glared** at the old man...

6) Draw illustrations in each of your boxes to match what you have written in your sentence.

 <p>As I stood at the top of the stairs, I <u>saw</u> my father's suitcase by the front door, and I thought, "He's going to be gone a long time."</p>
